WFA Legal Expense Policy

FAQs

Why did the WFA adopt this policy?

This policy is viewed as a fiscally responsible measure to protect each member's contribution to the organization.

When was the legal expense policy approved by the BoD?

The legal expense policy was approved by the BoD on 31 July 2008.

When does it become effective?

The legal expense policy is effective on 29 September 2008.

Is the policy retroactive?

No

Has this new policy been adopted to address any specific occurrence?

There have been occurrences in the past, but they predate the policy and are not affected by it.

What sort of expenses are we talking about?

The expenses include, but are not limited to the cost of labor and materials to produce requested documents and/or respond by testimony as well as associated legal costs.

Who does this policy apply to?

Members of the Wi-Fi Alliance

How are members bound to this policy?

Policies come under the umbrella of the membership agreement, to which members are contractually bound.
